

## 2021 Report of the Louisville Reformed Presbyterian Fellowship Commission

The year 2020 started with members of the commission being David Hanson (moderator), Andy McCracken, Gary McNamee, Philip McCollum and Jeffrey Platt (clerk). The Lord led Andy McCracken to Australia and Gary McNamee accepted a call in the Midwest Presbytery. David Schisler was appointed to provide much needed support from the Columbus congregation. Several of the regular Louisville attendees maintain membership in the Columbus RP Church. The Commission desires to add Bill Roberts to provide another experienced voice to the oversight of this work. Tré Cranford continues to provide preaching to a gathering of 25-30 souls. His attendance at commission meetings as an invited guest provides clarity to ongoing activity on site. Several teaching elders and others licensed to preach have provided preaching support throughout the year. Financially, the work is functioning on a small budget; the Lord has continued to meet needs.

May God continue to grant clarity in direction and leadership development for the faithful few gathering in Louisville.
