

GLG 23-13

GLG Presbytery
GLG Nominating Committee
c/o Adam Kuehner, Stated Clerk

Dear Great Lakes Gulf Presbytery,

With sorrow I find I must resign as Chairman of our Interchurch-Relations Committee.

The last three years have been chaotic, in terms of inter-presbytery visitation, and things are now basically back to normal. But with my wife Susan's hypo-thyroidism condition, I have found that leaving her alone at home for side-trips to visit other presbyteries – has become too difficult to do. We're both almost 75, and her condition has only been worsening.

While the chairman can delegate these responsibilities, I have found that the best situation is one in which the chairman has himself to fall back upon as a main resource. Having Susan's condition has also become a major distraction to me to operate efficiently as chairman. I'm just not holding onto the details/responsibilities of other committees/chairmen who communicate with me.

Thus, I respectfully ask that Presbytery would replace me with someone else who could do a better job than I have been doing.

Thank you,

Dick Knodel
