AIC of Great Lakes-gulf Presbytery

Michael Lefebvre (Moderator), Dale Koons, Sean Bird, Jason O'Neill and David Mauser

Dear Brothers,

As we are quickly approaching presbytery there is one known issue that will be addressed, that concerning Dr. Michael Lefebvre's articles on the historical Adam and his recently published The Liturgy of Creation: Understanding Calendars in Old Testament Context. It is our understanding that the seminary faculty has written a paper to review of the teachings in the paper and book that Dr. Lefebvre has authored. It is already planned that the Great Lakes Gulf Presbytery address this issue and it seems imperative upon the presbytery to have the seminary paper in hand before the presbytery meets, so that we can rightly understand the concerns of the seminary to make our own decisions on this matter.

We therefore request that the AIC, on behalf of the GLGP, request from RPTS the distribution of their paper, already mentioned, to be sent electronically to the sessions of the Great Lakes-Gulf Presbytery.

We thank you for your immediate attention to this issue.
