Great Lakes-Gulf Presbytery Ad Interim Commission  
c/o Pastor Shawn Anderson

November 7, 2023

Fathers and Brothers,

I am requesting the Ad Interim Commission of the Great Lakes/Gulf Presbytery appoint a three-man shepherding committee to provide council regarding the operations and relationships within the Sparta RPC session, and to provide council regarding the relationship between the Westminster RPC session and the Sparta RPC session.

I am requesting this shepherding committee because I believe the present course within our own session will not provide for a sustained ministry in Sparta and because the growing conflict between the Sparta and Westminster sessions is likely to cause harm to both congregations.
