CYPUP Board Proposals for Presbytery consideration:

Proposal 1:

We propose an increase in Presbytery funding to \$4,500 to support CYPUP events and administration. This is an increase in \$1,000 which will allow us to keep our youth registration costs down to encourage attendance at events.

Proposal 2:

We propose Presbytery assign two new board members to join the CYPUP board for 2025. One board member we recommend be a Pastor in the Presbytery. One board member be a woman with a heart for the youth program.
